Auction

Dear Q300 Community,

Welcome to the 5th Annual Stepping into Summer Dance Party and Auction! Thank you once again for all of your generous support and ensuring that our students had another wonderful year.

We are also celebrating Q300's Fifth Year Anniversary. It has been amazing to see our school grow from serving students in Kindergarten, First Grade and Sixth Grade to a fully seated K-8 school. The commitment the staff and parents have towards our school's core values has been incredible. It is reflected in the everyday interactions between students and staff, in the way our students treat each other, and

Through the generosity of our parent body, the PTA provides teaching assistants, in-school enrichments such as visual arts, year round music, and architecture...

in the way they engage with the world around them. In the Lower Division, the Explorations Room provides our students an opportunity for hands on learning (Inquiry) and also teaches them to collaborate with each other while creating. The Community Helpers program fosters a sense of **Inclusion** with Recess Buddies. We're reinforcing the values of **Responsibility** by being Garbage Helpers in our school. In the Upper Division, our core values are reflected in the Buddy Program instituted by Christine Katartzis, the Q300 Debate Team led by the engaging Elijah Cho and the numerous field trips our Upper Division students have gone on. Whether at a chess or debate tournament, in school celebration, our first ever Hackathon and Basketball Tournament, our kids are kind, supportive and enthusiastic learners who lift each other up. Our children are who they are because of everyone involved in their lives.

Through the generosity of our parent body, the PTA provides teaching assistants, in-school enrichments such as visual arts, year round music, and architecture, subsidies for Upper

School clubs, teacher wish-lists, staff professional development, funds for graduation and stepping up ceremonies, and financial assistance to students so that everyone can partake in what Q300 has to offer.

We are deeply appreciative of all of the hard work by this year's Auction Committee, including Joanna Holzman and Maria Hantzopoulos (co-chairs), Amina Kulshmanova, Barbara Monroe, Claire Liu, Gina Reis, Jason Engdahl, Jenn Eliasi, Paula Marisi, Siobhan Watson, Hong Van Tieu, Sue Sekar, Janet Perez, and Karen Van Wart. We would like to extend a special thanks to the Benefit's sponsors, donors, and

donor solicitors for helping to make this year's benefit a success. A special thanks to Bareburger, our featured sponsor who have unwaveringly supported our children through their support.

Finally, we would like to thank Principal Bill Biniaris, Interim Acting Assistant Principal Sonita Ramkishun and all of the talented, caring and

committed teachers and staff for all that you do for our children. Your passion and enthusiasm for your work and our children is a wonderful gift to us all and we are extremely lucky to have you!

We thank you for your continued support!

With deepest gratitude,

JULISSA MCHUGH & PAULA MARISI PTA Co-Presidents
