Principal's Report -

Core Value Action Teams

Team met to work on determining upcoming projects

Inclusion Team

Annette, Edwin, David

End of the year exposition for 1-7 (when there is not a moving up ceremony) where they present student work from the year.

Inquiry Team

Betty, Maria, Kalli and Kristina (unofficially)

Creating a course catalogue for technology for the lower grades so parents understand how skills will build.

Responsibility Team

Matt, Pooja, and Jill

Surveying staff at elementary level and previous volunteers around the idea of having parent volunteers such as learning leaders or if we can move forward in a different direction.

Parent Report –

- Costume event meeting happened last week and went well. Looking into doing a harvest potluck in November. Also looking into organizing a coat drive and canned good drive.
- Direct appeal has started and is bringing in funds that will help support school programs
- Discussion is occurring on utilization of the PS 17 library, might be used for a music room, makers room, community room, etc. The goal is to share the space with PS. 17.
- Parents have a few questions about the role of the teaching assistants and how the larger class size is impacting students this year.

UFT Report - Everything is reported in good order at both campuses.
