HELP OTHERS STAY WARM

Help ensure every New Yorker has the opportunity to stay warm, healthy, and safe over the winter.

- Please donate **gently worn, clean (or new) coats** that will go to neighbors in need of warm clothing.
- Please donate **new socks (all sizes)** to distribute to homeless shelters across the NYC area. Socks are one of the most requested items in homeless shelters, yet among the least-often donated.

We will collect coats and socks at the PTA meeting on Thursday, November 21 (LD). Collection boxes will also be at both the upper and lower division campuses for families who wish to send donations in with their child from Monday, November 18 through Friday, December 13, 2019. For inquiries, contact Soumaly King (SoumalyK@q300pta.org) or Marisa Nagano (MarisaN@q300pta.org).
