

2024-2025 DIRECT APPEAL: Frequently Asked Questions

The Direct Appeal is the **PTA's annual fundraising campaign** that encourages you and your family members, friends, and colleagues to give or raise funds to pay for crucial enrichment programs, services, and resources that deepen your students' learning experience at Q300. The Direct Appeal accounts for over 85% of the net amounts raised. Nearly **100% of your tax-deductible donation** goes directly to enriching education at Q300.

1. **Why should I contribute to the PTA, given that Q300 is a public school?** The PTA raises money to help **cover the funding gap** between the **cost of the enriched education** your kids receive and Department of Education (DOE) funding. The DOE does not pay for certain enrichment programs and electives, Chrome laptops, supplies, and other priorities and does not provide extra funding for Q300's gifted and talented status. Further, unlike many other public schools, Q300 is not eligible for Federal Title 1 funds (which are provided to schools with a certain percent of households that are at or below the federal poverty level).
2. **What will the Direct Appeal funds be used for?** The funds will help pay for the following:
 - a. **Schoolwide:**
 - Up to \$550 per teacher, social worker, and guidance counselors for wish list items, educational supplies, and resources.
 - Teacher professional development, such as Responsive Classroom training, differentiated instruction and personalized learning workshops, and team building.
 - Educational resources like Chromebooks, class library books, megaphones, and Lego robotics kits.
 - Events like the Welcome Breakfast for new families, Back-to-School Meet-Up, and other events.

3. **How is the PTA budget determined?** In the Spring semester, the PTA identifies the needs of each grade in consultation with Q300 administration, teachers, families, and students. Once the PTA budget is created, the PTA budget is voted on by the PTA's general membership at its June meeting and is amended from time to time, based on community needs. For a copy of our PTA budget, please contact treasurer@q300pta.org.
4. **Why is it important to get high family participation?** We strive for high family participation in the Direct Appeal. **Last year, about 69% of Q300 families donated to the Direct Appeal and other fundraisers.** By giving to the Direct Appeal – at whatever level is right for your family – you show foundations and other potential grant makers that we have an active, engaged, and committed community.
5. **How much should my family give or raise?** For those who are able to help support the school through the Direct Appeal, **please give or raise an amount that makes sense to your family.** As in previous years, we have provided suggested amounts, which will help fund our programs and services, cover those families who are unable to give or raise, and help us hit the ground running. **For the Lower Division (K-4th grades), the suggested give or raise amount is \$1,500 per student (\$150 per month for 10 months). For the Upper Division (5-8th grades), the suggested give or raise amount is \$1,000 per student (\$100 per month for 10 months).** Of course, you may donate more or less than the suggested amount. **Families have donated a range of amounts.** A donation of any amount would be greatly appreciated.
6. **Can my family contribute in monthly installments?** Yes. The online contribution form (see below) provides an option for you to arrange for scheduled contributions based on your family budget. An example is a 10-month installment plan that coincides with the school year.
7. **How can my family, friends, and colleagues donate to the Direct Appeal?**
