

Q300

T-Shirt Design Competition

Design a T-shirt for school spirit with the theme of

“GROWING TOGETHER”

GROWING TOGETHER

What does **GROWING TOGETHER** in the **Q300 community** mean to you?

What images come to mind when you think of the act of "growing" and "together"?

Which one or two colors would you choose to create your T-shirt design?
(Remember. The T-shirt will be black.)

HOW WILL THE WORDS LOOK?

Consider the design and slogans you see in the world.

What looks appealing to you? What gets the message across?

***Remember: Imitating copyrighted material is not allowed. Your design should be your own unique creation.**
