

# Q300 PARENT TEACHER ASSOCIATION

# READ-A-THON

**DIVE INTO SOME GOOD BOOKS THIS SUMMER!!**

## Q300 Families,

It's time for our school-wide Summer Read-a-thon!

Q300 is a community of learners and readers, and we continue our passion for books and knowledge into the summer months. A readathon is when participants set a reading goal and ask for sponsorships as they read. These sponsorships raise money for our school enrichments!

### How it Works

**Set a Goal!** (Example: I am going to read 20 books!)

**Secure Sponsors:** Students share their reading goals with family and friends, and ask for donations. They can use the paper Sponsor List, or use the online platform where sponsors can donate via credit card.

Create your student's donation page at <https://app.99pledges.com/fund/Q300readathon/addme>

Our goal is for each student to raise \$25, or to ask 2 people for donations of any amount (practice those great speech skills)!

### Track Reading & Write a Book Review!

READ!! Students record their books on the paper Reading Log. Time spent by parents or others reading aloud to a student counts also! Students can also write an optional book review using the paper form (These will count towards a chance for winning the grade prize!)

Additional reading logs, forms and suggested reading lists can be found on the Q300 PTA website.

### Collect Donations and Hand in with Reading Log and Book Reviews

Students need to bring their completed Reading Logs, Book Reviews and Sponsor List. If any donations were cash or check, submit it to their homeroom teacher in an envelope with child's name, upcoming class, and label "Readathon").

**All forms are due by Wed, September 16th to be considered for prizes.**

### PRIZES!

- ★ Individual - [\$25 donation] OR [2 sponsors] - Bookmark!
- ★ Individual - [\$50 donation or more] - Reading head lamp!
- ★ Individual - [\$100 donation or more] - Pick a book from Scholastic!
- ★ GRADE PRIZE who raises the most money - to be announced over the summer, so stay tuned!
