PROGRAM SCHEDULE

- Monday - Chess, Tech & Logic
- Tuesday - Chess, Mixed Media Arts

BEGINNER LEVEL

The students will learn the basics of chess and build a solid foundation needed to move ahead - from the movements and values of the pieces, to tactics and different checkmate patterns.

INTERMEDIATE LEVEL

The students will have a better understanding of the patterns, tactics, and principles in the opening, middle game, and end game.

ADVANCED LEVEL

The students will focus on the strategizing, thinking process, and have a deep understanding of different openings and endgame techniques.
